PRAYERFUEL

YOUR LOVE IN ACTION - HELP TO THOSE IN NEED IN ETHIOPIA

THE CONFLICT IN ETHIOPIA HAS CAUSED HUGE FOOD INSECURITY ACROSS THE HORN OF AFRICA. PICTURED IS A FOOD AID DISTRIBUTION POINT FOR PEOPLE AFFECTED BY LEPROSY IN ETHIOPIA. PLEASE PRAY FOR PEACE AND HELP TO COME QUICKLY.

**LORD, HEAR MY PRAYER,
LISTEN TO MY CRY FOR MERCY;
IN YOUR FAITHFULNESS AND
RIGHTEOUSNESS
COME TO MY RELIEF.**

PSALM 143:1

Our prayer stays the same - **Almighty Father, the giver of life and health, look mercifully on those who suffer from leprosy** - but the challenges and complexities of defeating leprosy are growing with price rises and conflicts. **Pray with us to help see leprosy defeated and lives transformed.**

**GOD IS OUR REFUGE AND
STRENGTH, AN EVER-PRESENT
HELP IN TROUBLE. PSALM 46:1**

Prayer points

- Pray for those in the Horn of Africa who continue to face drought and famine. Pray for intervention, rain and God's provision. Please particularly pray for our team in Ethiopia who are helping to aid those in need whilst also contending with the danger of civil unrest. Pray help can quickly get to leprosy affected communities.
- Please continue to keep our team in Myanmar in your prayers. Whilst the military coup has faded from our news channels, their struggles have not. Pray for endurance for the team as they continue to serve their communities. Pray that basic supplies such as medication can be obtained more easily to better help patients. Pray for peace and stability.
- Pray for the Price of Living costs – these increases are raising costs and causing new challenges for delivering projects within budget.
- Pray for global warming – especially as extreme weather affects the most vulnerable in places like Bangladesh and Pakistan.
- **Give thanks** that at the end of September TLM country leaders along with their board chairs will meet in person for members meetings in Brentford. This will be the first time since the beginning of the pandemic! **Pray for safe journeys** for all attending as many will be traveling long distances. Pray for God to inspire and guide the thoughts, proposals, decisions and give His blessing to the work of TLM as a whole.
